Comment. During the reported period, the following daily average of cars was loaded:

25X1

Railroad District	Total	of which for SHC
Berlin	2,304	137
Greifswald	986	27
Schwerin	1,318	34
Cottbus	4,072	17

Compared to the last reported period when less cars were loaded due to the Whitsun holidays and the FDJ Whitsun Rally, the total loading performance increased by 3,869 cars per day. The number of cars loaded for the Soviets increased to 1.5 percent of the total loading performance, a proportion which is rather low.
